DISCOVERY CAMPGROUND GUIDELINES

- RATES:** \$35/night for 30 amp site - \$40/night for 50 amp site. Three night rentals are required for long weekends. Rates are based on family groups – maximum of 2 adults and their dependent children. Extra adults are \$5/night.
- TENTING:** \$25/night. Special area set up for just tenting. If you wish to set up a tent on a site with an RV or trailer, there is a limit of one tent per site for dependent children only and they will be charged \$5/night extra.
- GROUP RATES:** \$25/night/unit rental for group camping area plus damage deposit of \$100 (must be paid at time of booking).
- CANCELLATION:** If cancelled 1 week or more prior to booking date, full refund less \$10 admin fee will be given. No refund within one week of booking date.
- FIRES:** No open fires - only propane fire pits are allowed. Propane fire pits may be rented for \$10/night, propane bottles may be rented for \$15 (will run approx. 7 hours) or you may bring your own. We can also fill your tanks - \$15 for 20lb and \$20 for 30lb tanks.
- CHECK IN TIMES:** Check in time is 2 pm and check out time is 11 am. Quiet hours are in place from 11 pm to 7 am.
- GATES LOCKED:** Gates into the Campground itself will be shut from 10 pm to 8 am. Main parking lot gates into the Park will be locked at 7:00 pm and reopened at 10:00 am. If you need to leave in our off hours, you may exit the Park through our main parking lot gates by driving up to them – the sensor will open for you. To re-enter the Park in off hours, you must phone the campground cell 403-896-3272 (posted on gate).
- PARK HOURS:** Park hours are from 10 am until 7 pm. No campers are allowed in the Park before or after those hours. Please remain in the campground until the Park is open in the morning.
- PETS:** There will be a \$5/pet/day charge. All pets must be contained within your campsite. Pets must be on leash at all times and never left tied up and unattended. Pets may be walked on the road within the Campground area, but not down the entrance road leading to the Campground. Please be aware of the Park's animals across the road – if they are obviously agitated by your pet, please be respectful and leave that area immediately. Campers must clean up after their pets and if any pets are bothering other campers, you may be asked to leave the campground at the attendant's discretion. **Please do not tie pets to our trees!** This strips the bark and kills the trees.
- SPEED LIMIT:** 10km/hr is the speed limit within Discovery Wildlife Park – in the parking lots, the road to the Campground and in the Campground. Please adhere to this – the dust from the road covers the grass in some of the animal enclosures and can also cause respiratory issues for animals.
- ALCOHOL/
CANNABIS:** Discovery Campground is a family facility – alcohol OR cannabis may only be consumed on your site. No visible alcohol or cannabis may be carried around the campground and NO alcohol, cannabis or intoxicated persons will be allowed into the Park under any circumstances. Please be respectful of others in the campground! We do retain the right at our discretion to ask anyone to leave that abuses this policy.
- FISHING POND:** There is a \$5/person/day fee to fish in our pond and a fee of \$5 per fish with a maximum of 2 fish/person/day. There is NO bait and NO catch and release allowed – you may eat the fish or they can be donated to the animals in the Park. There is no provincial fishing license required, however, if you wish to take the fish home to eat later, please check in at the office – you will require our license number to show where you caught the fish at. Absolutely no fishing after dusk!
- NO SWIMMING:** Public are not allowed in the pond – no swimming, no floating tubes, no pets and no throwing rocks into the water. Children 12 and under must be accompanied by an adult at all times. No lifeguard on duty.
- PARKING&VISITORS:** Parking is supplied for one vehicle per site. Vehicles must be parked beside your trailer/camping unit not on the road. If your vehicle is too large to park beside your unit or you have a second vehicle, you will have to park in the visitor's parking area located just outside the Campground gates. Day visitors are welcome, but must leave by 10 pm. Parking is available for them in the visitor parking area as well.
- RECREATIONAL
VEHICLES:** Quads or other motorized recreational vehicles are not allowed within the Park or the Campground. Children's battery operated vehicles are also not allowed. Bicycles may be ridden only on the roads within the campground but not around the unfenced area of the pond. Bicycles and battery operated vehicles are never allowed into the Park under any circumstances. Please no drones!- in the campground or Park
- TREES & GRASS:** Please use only "grass-friendly" mats on the grass. Ensure that propane bottles are set on the gravel pads. They burn the grass if placed on the grass. We have planted many trees to provide shade, protection from the wind and privacy for each site. Some are just starting out so the trees should not be touched – do not break off branches for weiner sticks, climb on them, or allow your children to pull on the branches and please **do not tie pets to them!** All of these actions can kill the trees.
- PICNIC TABLES:** Each site comes with a picnic table on the gravel parking pad. You may place the table anywhere on the grass that you like – we do ask that you place it back on the gravel pad of your site when you are leaving.
- FIREWORKS:** Absolutely NO fireworks may be used in the Park or the Campground. No exceptions! This is a Town bylaw.
- GARBAGE &
RECYCLING:** Garbage dumpster is provided for your convenience. Please ensure no garbage is left on your site when you leave. A recycling bin is also provided for bottles, pop cans and any other recyclable item.
- WASHROOMS** Washrooms and showers are located inside the entrance to the campground. Showers are coin operated and use only loonies (\$1 coins). Portapotties are provided on the north side of the pond for campers' convenience. Please do not haul water out of washroom facility and do not wash dishes or clothes in the bathroom sinks. There is a metered tap outside the bathrooms for purchasing water for washing - \$1/gallon (4 litres). Please no pets in the washrooms!
- PARK ACCESS:** Admission to the Park is NOT included in the camping fees, unless you have pre-purchased it (see Registration page). Park admissions may be purchased from the campground attendant or at the front desk of the Park (accessible from the main parking lot). Campers will have to drive or walk to the main building to access the Park.
- GOLF CARTS:** The Park rents 4 seat electric golf carts - \$15 an hour or \$10 an hour for seniors/disabled persons. You may rent these at the front desk of the Park. Drivers must be 18 and up and have a valid driver's license.
- SEASONAL STAYS:** Optional at this time, however, there are no full hook-ups available. Please ask to speak to the owners if you are interested.
- EXTRA CHARGES:** There will be additional fees added on for any damage to property or abuse or neglect of these campground guidelines.
- EMERGENCY:** For emergencies only after hours, please contact the camp attendant at 403-896-3272 or Doug 403-350-8822 or Debbi 587-877-5054.
